/ SHAPE THE FUTURE WITH US

As one of the world's leading distributors of electronic components and systems, we have been supporting our customers and partners around the world for 103 years.

At Avnet, we design, make, supply, and deliver technology solutions. We work with customers of every size, in every corner of the world – whether they're an emerging developer, a startup, a mid-size business or an enterprise. Simply put, we guide **today's ideas into tomorrow's technology.**

Avnet's Apprenticeship Programs are an excellent opportunity to **gain invaluable experience and unique insight** into a successful, international company with the best performers.
